

Doctors for the CURE®

Join Us in Our
Fight Against
Breast Cancer

Nancy G. Brinker promised her dying sister, Susan G. Komen, that she would do everything in her power to end breast cancer forever. That promise became Susan G. Komen Race for the Cure® in 1982, launching what has become a global breast cancer movement. Komen for the Cure® is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care, and energize science to find cures. Finding a cure for breast cancer is our sole focus.

Komen for the Cure has invested nearly \$1.9 billion in research, education and health services and has had a role in every major advance in the fight against breast cancer. Thanks to events like the Susan G. Komen Hawai'i Race for the Cure®, Komen has become the largest source of nonprofit funds dedicated to the fight against breast cancer in the world.

How We Help Women in Hawai'i

Up to 75 percent of all money raised in Hawai'i stays here to support local programs, and has directly benefited thousands of Island women. Due to recent Affiliate fundraising events in Hawai'i:

- **The Hamakua Health Center** provided free screening mammograms and follow-up diagnostics for Big Island women with little or no insurance;
- **Kokua Kalihi Valley** expanded its community-based breast health program;
- **Moloka'i General Hospital** improved the continuity of breast care on Moloka'i;
- **The Waikiki Health Center** provided breast cancer screening and education to Hawai'i's diverse ethnic population, targeting women with no health insurance and those lacking access to medical care. No one who could not pay was turned away.

A Special Program for Doctors

Doctors for the Cure is a way for medical professionals to show their support for breast cancer research, education and health services. The monies raised by Doctors for the Cure will also help fund the Survivor Tent at the Race and a commemorative "Sea of Pink" photo for all participating survivors.

Becoming a Doctor for the Cure is simple! Visit www.komenhawaii.org and register for the Race as a Doctor for the Cure. You will receive complimentary race entries, a framed commemorative survivor photo, and a Doctors for the Cure scrub.

Please show your support for breast cancer patients by joining Doctors for the Cure.

For More Information
